

Programs and activities to welcome new students
to the University of Michigan

WELCOME TO
MICHIGAN
2006

AUGUST 31 - SEPTEMBER 4

On behalf of the campus community,

WELCOME TO MICHIGAN!

The Welcome to Michigan Program is designed to assist you in becoming more familiar with the campus and its resources. This program book provides you with important information and descriptions of events planned through the first week of classes. We encourage you to take some time to read this book and attend as many events as possible. There are also many more events and activities on campus throughout the month of September and year-round at <http://events.umich.edu>. Step out of your comfort zone and try new things — they are plentiful at Michigan! Take advantage of these opportunities to explore your new home and meet many new people.

This year's theme — "Finding the U" — encourages you to find yourself at U-M and to find your place at U-M. We appreciate each

student's unique journey that led you to the University of Michigan, and also encourage you to explore the many resources, programs, and other opportunities that await you here.

As you begin your college experience at U-M, we challenge you to think about the experiences that led you here and share your story with your classmates. A special highlight of Welcome to Michigan is the Day of C.H.A.N.G.E. (Creating a Healthy and New Generation of Equality), a day of programs that encourage all students to reach out to and learn from one another in our community of scholars.

Please take time during the Welcome to Michigan program to explore and experience your new community. By doing so, you will find yourself as part of a vibrant community, where fellow students, the faculty, and staff of the University of Michigan and members of the greater Ann Arbor community make this a great place to be.

We wish you the best as you enter the University of Michigan, and hope you enjoy what the University and Ann Arbor have to offer.

GRADUATE STUDENTS:

Please see the separate listing of Rackham Graduate Welcome Events just for you, available from your graduate program or on-line at <http://www.rackham.umich.edu/GraduateOrientation/fall06.html>

HELP IMPROVE THE WELCOME TO MICHIGAN PROGRAM!

We want your feedback! After classes begin, please take some time to evaluate the Welcome to Michigan program. Visit <http://evals.onsp.umich.edu/> to complete a short evaluation and be entered into a prize drawing for bookstore and coffee shop gift certificates.

"The Alternate Routes"

8pm (doors open 7:30pm)

The Ark, 316 S. Main

Welcome to Ann Arbor and to The Ark, a world-class club with music for all ages and tastes!

The Alternate Routes are a young, dynamic rock band with a strong emphasis on song-writing and storytelling. The band recently released its debut album, "Good and Reckless and True." Their song list is filled with compact, melodic compositions with intensely personal lyrics, colored by dark sarcasm and exploring a wide palette of human emotions. Working with Nashville producer Jay Joyce, who has helmed projects by Patty Griffin and John Hiatt among others, the Alternate Routes are equally talented on stage and in the studio. There's a long list of artists who've played The Ark before they became household names, and the Alternate Routes just might be the next name on the list.

SPIRITUAL/RELIGIOUS RESOURCES

Many students wish to stay connected to their spiritual or religious background after coming to campus. The University of Michigan works with a local Association of Religious Counselors to provide a variety of spiritual/religious opportunities for students.
