

## Determining Which Online Placement Exams to Take

Below is more detail about the placement exam requirements based on your Academic Unit. Please note that each school/college sets its own requirements and ONSP cannot grant you an exception. A text only version of the Placement Exam Requirement chart is below, as well as additional details about the requirements.

A general guide of how to interpret the chart:

**Required** = your school/college requires you to take the online placement exam. In the case of languages, **if you do not have any experience in that language, you are not required to take that language placement exam.** Requirement is only if you have prior experience and plan to continue to enroll in that language.

**Not required** = your school/college does not require you to take the online placement exam.

**Encouraged** = While not required, if you intend to continue to take coursework in that subject, you should take the exam.

### FIRST-YEAR STUDENT PLACEMENT EXAM CHART

School/College/ Program	Math	DSP for Writing	Chemistry	Languages  (Only if you have prior experience)
Architecture	Required	Required	Not Required	Optional
Art & Design	Required	Required	Encouraged	Required
Art & Design - BBA Preferred Admit to Ross	Required	Required	Encouraged	Required
Ross School of Business Direct Admit	Required	Required	Not Required	Required
Engineering	Required	Not Required	Required see more info below for AP credit information	Encouraged
Engineering - BBA Preferred Admit to Ross	Required	Required	Required See more info below for AP information	Required
Kinesiology	Required	Required	Required for the Movement Science Program,  Encouraged for the Applied Exercise Science Program	Encouraged

School/College/ Program	Math	DSP for Writing	Chemistry	Languages (Only if you have prior experience)
Kinesiology Continued	Required	Required	Not Required for the Sport Management Program, unless interested in taking Chem courses	Encouraged
Kinesiology - BBA Preferred Admit to Ross	Required	Required	Required	Required
Literature, Science & Arts (LSA)	Required	Required	Encouraged	Required

Nursing	Not Required	Required	Not Required	Not Required

## **More Information**

### **Math Placement**

The Math Placement is **REQUIRED** for students in the following schools/colleges/programs, regardless of AP credit:

- College of Architecture
- School of Art and Design
- School of Business, including students pre-admitted into the School of Business
- College of Engineering
- School of Kinesiology
- College of Literature, Science and the Arts (LSA)
- LSA Comprehensive Studies Program (CSP)
- LSA Honors Program
- LSA Residential College (RC)
- School of Music, Theatre and Dance (SMTD) studying the Performing Arts Technology Program (PAT)

The Math Placement is **ENCOURAGED** for students in the following schools/colleges/programs who are planning to take any math courses while at UM, regardless of AP credit:

- School of Music, Theatre and Dance (SMTD) except those studying PAT who are **REQUIRED** to take the Math placement

The Math Placement is **NOT REQUIRED** for students in the following schools/colleges/programs:

- School of Nursing

### **Chemistry Placement**

The Chemistry Placement is **REQUIRED** for students in the following schools/colleges/programs:

- College of Engineering (NOTE: Students who have scored a 4 or higher on the AP Chemistry do not need to take the Chemistry Placement. If you scored less than a 4, or are still waiting for your score results, you are required to take the placement).
- School of Kinesiology studying Movement Science

The Chemistry Placement is **ENCOURAGED** for students in the following schools/colleges/programs:

- School of Art and Design
- School of Kinesiology studying Applied Exercise Science
- School of Kinesiology studying Sport interested in taking Chem courses
- College of Literature, Science and the Arts (LSA)
- LSA Comprehensive Studies Program (CSP)
- LSA Honors Program
- LSA Residential College (RC)

The Chemistry Placement is **NOT REQUIRED** for students in the following schools/colleges/programs:

- College of Architecture
- School of Business – unless you are a preferred admit and your first-year admitting school/college does require the Chemistry Placement
- School of Kinesiology studying Sport Management (unless you are interested in taking Chem courses, than you should take the placement!)
- School of Nursing
- School of Music, Theatre and Dance (SMTD)

### **Directed Self-Placement for Writing (DSP)**

The DSP is **REQUIRED** for students in the following schools/colleges/programs, regardless of AP credit:

- College of Architecture
- School of Art and Design
- School of Business, including students pre-admitted into the School of Business
- School of Kinesiology
- College of Literature, Science and the Arts (LSA)
- LSA Comprehensive Studies Program (CSP)
- LSA Residential College (RC)
- School of Nursing
- School of Music, Theatre and Dance (SMTD)

The DSP is **NOT REQUIRED** for students in the following schools/colleges/programs:

- College of Engineering
- LSA Honors Program

### **Language Placement**

Language Placement Exams are **REQUIRED** for students in the following schools/colleges/programs, regardless of AP credit:

- School of Art and Design
- School of Business, including students pre-admitted into the School of Business
- College of Literature, Science and the Arts (LSA) (Learn about the [LSA Language Requirement](#))
- LSA Honors Program (Learn about the [LSA Language Requirement](#))
- LSA Residential College (RC) (Learn about the [RC Language Requirement](#))
- School of Music, Theatre and Dance (SMTD) studying Piano, Voice Performance, Musical Theatre, & Theatre Performance (Acting)

You are only required to take a placement if you have prior experience in that language and plan to continue to take coursework. If you have no prior experience in a language or will be studying a new language at UM, you do not need to take a placement and can enroll in the first sequence of the new language.

Language Placements are **ENCOURAGED** or **OPTIONAL** for students in the following schools/colleges/programs:

- College of Engineering
- School of Kinesiology
- LSA Comprehensive Studies Program (CSP)
- School of Music, Theatre and Dance (SMTD), except students who are studying Piano, Voice Performance, Musical Theatre, & Theatre Performance (Acting) who are **REQUIRED** to take a language placement

If you have prior experience and have an interest in taking a language (for example, if you plan to minor in a language or enroll in coursework in that language), you should take the placement.

Language Placements are **NOT REQUIRED** for students in the following schools/colleges/programs:

- College of Architecture
- School of Nursing
