We hope you have enjoyed this semester with Mentorship as much as we have! It is amazing to think that the fall semester is coming to an end. Even though this year’s formal programming is finishing up, we hope you stay connected to your group throughout the next semester.

Throughout this newsletter we want to share with you some memories and future opportunities! Flip through to reminisce some of our most recent activities. Also in this issue, we have provided information on how to grow in your role with Mentorship. If you are a mentee, check out the application for the Peer Mentor role. If you are a Peer Mentor, be sure to consider the Communication Coordinator role. And for all of our Faculty/Staff Mentors, we look forward to working with you again next year and will send you our returner’s survey in late winter.

Mentorship sends a big thank you to all for a wonderful semester!

Flashback: Mentorship took a trip to Three Cedars Farm!
We enjoyed donuts, took a hay ride, and explored the corn maze.
Flashback: Stressbusters!

We enjoyed magnet making, massages, chair yoga, study skills and cupcakes!

Many thanks to our own awesome F/S mentors who facilitated portions of the event:

Martha Kirpes & Joe Salvatore
